

UNITED STATES DISTRICT COURT FOR THE
DISTRICT OF NEW HAMPSHIRE

Alberto De La Torre

v.

Civil No. 11-cv-584-JD

Federal Bureau of Investigations

O R D E R

Albert De La Torre, proceeding pro se and in forma pauperis, filed a complaint on November 17, 2011, alleging that he was falsely arrested by the Federal Bureau of Investigations and held without bail for thirty months. On preliminary review, the magistrate judge concluded that De La Torre's complaint failed to state a claim and recommended that the case be dismissed. De La Torre did not file an objection to the report and recommendation.

The court has reviewed the magistrate judge's report and recommendation that the case be dismissed. As explained in the report and recommendation, De La Torre did not state a claim in his complaint upon which relief may be granted. Therefore, as the magistrate recommended, the case should be dismissed pursuant to 28 U.S.C. § 1915A(b)(1).

Conclusion

For the foregoing reasons, the magistrate judge's report and recommendation (document no. 8) is approved and adopted. The claims stated in the complaint (document no. 1) are dismissed.

The clerk of court shall enter judgment accordingly and close the case.

SO ORDERED.
